**PRODUCT WRITE UP**

Guaranteed to add visual interest to any living room! This interchangeable, double shelved console table is cleverly executed to allow your items to be placed on top and below the surfaces. Its modern steel frame makes as a study place to store your living room or office room belongings. The space between the two structures keep your area from appearing cluttered. The tempered clear glass and smoked glass surfaces enhance the surrounding atmosphere, making your room appear more spacious. Switch shelves around for a playful environ. Contract Quality.
