### PRODUCT WRITE UP

Inspired by mid-century modern design, this upholstered platform bed provides another option to your modern bedroom setting. Softening the edges of chic urban interiors, the wonderfully tailored headboard and robust frame of this bed pairs effortlessly. Constructed of eco-friendly solid rubberwood, its smooth lines punctuated by sharp cornered joinery. To ensure a comfortable night's sleep, the solid folding board sits above the bed frame providing a firm support that suits standard size queen mattress. Contract Quality.
