Synchronized opening when backrest is tilted forward manually. Electrowelded base. Elastic straps on seat. Protective polypropylene floor glides: Retains shape.

Blue World Anti-Stain Shield Protection Fabric is resistant to the growth of fungal moulds, bacteria and their resulting allergens. It is also resistant to daily maintenance, wear and dry cleaning.

**PRODUCT WRITE UP**

Modest in size, big in style. It's like love at first sight with this sofa with an easy-to-lift sleeper mechanism. Create a guest room in minutes right in your living room with a sofa fitted with a sleeper mattress. Transforms from sofa to bed without needing to remove the seat cushions. Completed with its own mattress, this sofa bed makes the transformation easy with a mechanism which has a synchronized opening when the backrest is tilted forward manually. Ensuring stability and durability, the bed has an electro-welded base and elastic straps on the seat. Contract Quality.
