Ctn. Cube: Total: 1.94 cu.ft

Ctn. Weight: Total: 94 lbs

# Item/Ctn: 1 # Ctn/Item: 2

Assembly: Some Assembly Required.

Crafted with 10mm tempered glass for durability, and complimented with black powder coated legs. An excellent design of modern design and artistic symmetry. Table legs are expelled outwards remaining constrained and fixed by two central semi circular discs. Creating a central point beneath the smoked tempered glass top subtly reveals the connections and creates a strong visual impact. A simple and effective dining solution that can't be ignored. Contract Quality.

### GLASS CONTENT:

3C Standard

### METAL CONTENT:

High Quality Extruded Steel
